

Admissions 2024-25 DPT (May 2025) Start DPT Prerequisite & Recommended Courses Checklist

Complete this form by listing all relevant prerequisite and recommended courses that you have **completed**. Do not list multiple courses that satisfy the same prerequisite, for example if you have 2 higher-level psychology classes, only list one. Please ensure that there is a number in the GPA box. Also when deleting cells, make sure that you delete the system, units, and grade portion. **You may add only to the peach, green, blue or mauve -shaded cells**. **At the end of the document is a grid to list Recommended course(s) that you have completed**. If you need additional space, download and complete a second file. When finished, save the file using your first and last name as the filename, and then upload the file to the SDSU DPT Supplemental application (Interfolio) site.

Name: Kenneth Andrew Harper (Please type in your name)
Date: 10/15/2024 (Please type in date)
SDSU Red ID: 177789503 (Please type in your Red ID)

GPA
3.74

***Students must use drop-down feature for Course type, System, Term, Units and Grade - Do NOT type in the columns. Only type in Course number and Institution columns.**
****For courses completed as "Pass" or "Credit", please use the section below entitled "Prerequisite courses that were completed as Pass or Credit status"**

Course number (e.g., BIO 210)	Course type (i.e., lecture, lab) *	System *	Term (when course completed) *	Units *	Grade *	Institution
Biology courses (required: one general and one higher-level course)						
Biol 203	lecture-only course	semester	Spring 2021	3	A	San Diego State University
Biol 203L	laboratory-only course	semester	Spring 2021	1	A	San Diego State University
Biol 211	lecture-only course	semester	Fall 2021	3	A-	San Diego State University
Biol 211L	laboratory-only course	semester	Fall 2021	1	A-	San Diego State University
Chemistry courses (required: two semesters or one year of general chemistry lecture and laboratory, can substitute one higher-level chemistry and lab course)						
Chem 200	Chem 200	semester	Summer 2021	5	B+	Mesa College
Chem 201	Chem 201	semester	Fall 2021	5	B+	Mesa College
Physics courses (required: two semesters or one year of general physics lecture and laboratory, can substitute one higher-level physics and lab course)						
Phys 180A	lecture-only course	semester	Fall 2021	3	A-	San Diego State University
Phys 182A	laboratory-only course	semester	Fall 2021	1	A	San Diego State University
Phys 180B	lecture-only course	semester	Spring 2022	3	A-	San Diego State University

Phys 182B	lecture-only course	semester	Spring 2022	1	A	San Diego State University
-----------	---------------------	----------	-------------	---	---	----------------------------

Anatomy, Physiology, or Anatomy/Physiology courses (required: two semesters or one year of human anatomy/physiology lecture and lab within past 5 years)

Biol 212	combined lecture and laboratory course	semester	Spring 2022	4	A	San Diego State University
Biol 336	lecture-only course	semester	Fall 2022	3	A	San Diego State University
Biol 436	laboratory-only course	semester	Spring 2023	2	B+	San Diego State University

Psychology courses (required: one general and one higher-level course)

PSY 101	lecture-only course	quarter	Fall 2022	4	A-	University of California, San Diego
PSY 350	lecture-only course	quarter	Spring 2023	4	A	University of California, San Diego

Statistics courses (required: one course)

PSY 215	lecture-only course	semester	Spring 2022	3	A	Point Loma Nazarene University
---------	---------------------	----------	-------------	---	---	--------------------------------

English composition courses (required: one course)

RWS 305W	lecture-only course	semester	Fall 2021	3	A	San Diego State University
----------	---------------------	----------	-----------	---	---	----------------------------
